

“It’s time for Harrisburg to try a new way. As your State Senator, I’ll do exactly what I’ve done here at home: use my experience as a successful businessman and commitment to conservative Republican principles to make government work better for all of us.”

– **Lloyd Smucker**

FOR STATE SENATOR

# Lloyd Smucker for State Senator

## SUCCESSFUL BUSINESSMAN

As a businessman, Lloyd Smucker took a small family owned company and turned it into an industry leader employing 145 local residents. He has proven his ability to develop and meet a budget, create jobs, serve and lead people, overcome obstacles and make tough decisions. Now more than ever we need that kind of real world experience in Harrisburg.

## PROVEN LOCAL OFFICIAL

As a West Lampeter Township Supervisor, Lloyd Smucker is applying business world principles to government and making a positive difference for taxpayers.

**Without ever raising property taxes,** Lloyd has improved services for residents, safeguarded farmland from development, managed growth and developed innovative public-private partnerships to meet local needs without burdening taxpayers.

# Using **Conservative Republican Principles** to Fix Harrisburg

As our State Senator, Lloyd Smucker will follow the conservative Republican principles we all share — to fix Harrisburg and make it work for us again.

- **Cut government bureaucracy and wasteful spending to put taxpayers first again.**
- **Provide real leadership to achieve innovative solutions on issues like property tax reform, healthcare and more.**
- **Create jobs and economic growth by reducing business taxes and removing burdensome regulations from small businesses, entrepreneurs and job creators.**
- **Give government back to the people with initiatives that make government more open and accountable and end the special legislative perks.**
- **Protect our quality-of-life by preserving farmland and open space, and working with our police and prosecutors to keep our families safe from crime and drugs.**
- **Stand strong for our values by protecting the sanctity of life, traditional marriage between a man and woman, and the rights of law abiding citizens to own firearms.**

**Lloyd Smucker isn't a career politician. He's a successful businessman, lifelong resident of our area and concerned citizen who thinks it's time to change the way Harrisburg does business to finally get results on the issues our families care about most.**

A 25 year businessman who grew a small family-owned company into an industry leader, Lloyd will bring to the Senate a perspective that no career politician can – the perspective of someone who has met a budget, created jobs and met the challenges of the private sector.

As a local Township Supervisor, Lloyd has never raised property taxes, but is still able to manage growth, safeguard farmland and improve services in one of Lancaster County's fastest-growing municipalities.

Committed to making our community even better, Lloyd is an active volunteer who has given his time and effort to numerous local civic organizations, including the Lampeter-Strasburg YMCA Building Campaign Committee and his church.

Married for 16 years, Lloyd and his wife Cindy are raising three children. They have attended Zion Lutheran Church for the past 18 years and reside in West Lampeter Township. Lloyd is a lifelong resident of Lancaster County.
